

Safety Reporter Canadian

Canadian Safety Reporter takes an in-depth look at the legal side of occupational health and safety. In each issue, our editors scour the courts for recent cases and write plain language summaries that help you stay on top of legal trends and ensure your workers go home safe at the end of every day.

TOPICS REGULARLY COVERED INCLUDE:

- current news and trends
- building a safety culture
- case summaries of recent OHS court decisions from across Canada
- key legislative changes and so much more!
